1. **What MYTHS did your mother teach you about sex? Did she buy into the myths herself?**

Which ones?

2. **What myths did you buy into as you matured sexually?**

- a. **Sex is bad, dirty or wrong?**

How has this impacted your sex life early days to now?

How does this make you feel in your body holding this belief and 'going through the motions'?

How does this impact the way you show up in relationships and in the bedroom?

- d. **The ideal pussy is what is seen in air-brushed pornography?**

Consider now... what is your relationship with your pussy? Do you have one? Do you love her?

- e. **All women love to be dominated and they also love anal sex?**

Has this been your experience? Have you ever allowed yourself to be dominated when you really didn't want to be? How did this impact your body, mind, emotions?

- f. **I am one of the rare women who is never going to experience orgasm?**

If this was your old truth, how did you feel hearing Ella talk about the fact that every human is and can be MULTI-ORGASMIC?! What does this bring up for you?
